SAC BUSINESS AND STANDING REPORTS:

1. Welcome and Introductions – Amy Long
2. Meeting Norm Training - Kristin Drury
 - a. We revisited last month's meeting norm of: Paraphrasing
 - i. Three types of paraphrasing: Acknowledging, Organizing, Abstracting.
3. Principal Report – Kristin Drury

a. Budget

- i. Review strategic plan framework
- ii. Discuss district budget priorities as directed by DAC. Request from DCSD to run the following District Strategic Themes 1-6, with 1 being the most important and 6 being the least important theme in terms of funding. Below LPE SAC rankings:
 1. Equitable distribution of resources
 2. Recruitment, retention and development of high-quality employees
 3. Health, safety, and social-emotional supports for students
 4. Post-graduation guidance and preparation
 5. Aligned curriculum with flexible instructional delivery
 6. Positive and supportive culture

- a. Comments supporting choices: 'Please consider pay for classified for recruitment, retention and development of high quality employees. Possibly consider adding back EA 3's, This needs to be increased. For the social emotional support for students we want the focus on SEL for students and we want the funding for counselors to stay. We have had more SE support for students, we want this to grow. We ranked positive and supportive culture last, not because it isn't important but we believe this can be addressed without a large investment of money. We would like a more equitable distribution of resources with POST GRad resources (not magnets across the district as many many not be able to get there). Aligned curriculum needs to be addressed through PLC's at the building level, not taking teachers from the classrooms to create a document. Teacher retention helps with all others.

4. School & Staff Report – Kristin Drury
